

The serene Haven
of the blessed Great Fast
awaits us....

It welcomes us....

It embosoms us....

It grants us peace....

It fills us with hope....

Yet another opportunity
to *give* and to *receive*....

Hence, let our “wares” be of high quality!

And let us embrace one another in self-reproach.

We venerate Thy Passion, O Christ!

Show us also Thy glorious Resurrection!

The Least Minister
of the Flock of Christ,
† Metropolitan Cyprian
of Oropos and Phyle
